

Government's Suggested Revisions to the Juror Questionnaire

Questions 27(a) through (c) were added to the revised Questionnaire at the government's request. Doc. 1513 at 15. However, the first two questions in sequence on page 15 were omitted. The part omitted reads as follows:

Have you ever donated money/goods to, or volunteered to work at, charitable causes or organizations?

_____ Yes _____ No _____ I am not sure

IF "NO," SKIP TO QUESTION 28.

Please list the causes or organizations to which you have donated money/goods or at which you have volunteered.

Without including these two questions in the questionnaire, immediately ahead of Question 27(a), Question 27(a) is confusing. The prospective jurors will not understand that the organizations referred to in the question are those to whom they have made a donation of some kind, not those with which they have some association. (Question 27).
